We again have a sliding fee schedule, similar to last year. There are three additional sign-up options in each category for those who are able to support the dojo and our fundraising effort in a bigger way. We're also offering a dojo option this year for those who would like to practice online as a group in their home dojo.

\$175-\$250 in-person
\$75-\$150 online (individual)
Donation online (dojo)

Scholarships are available for anyone who would like to participate but is not able to cover the base fee. Please sign-up on-line using the Scholarship button and you'll receive an email with further details.

Please note

A link will be emailed to all participants the week prior to the event.

Please do not sign up for in-person practice if you have not completed your vaccination requirement by the start of camp. Please be prepared to show you vaccination information to Ikeda sensei.

For in-person participants, we will not be providing lunches this year, but will have a pizza party Saturday evening.
